

FIRST LEGO League Challenge — Team Budget Proposal

FOR [SCHOOL] · 2026-27 SEASON

Requesting teacher: [Your name], [Subject]

Overview

- **Student capacity:** 6–10 students, grades 4–8
- **Meeting time:** once a week after school, September–December
- **Teacher time:** ~2 hours/week + one Saturday tournament
- **Space needed:** one classroom, once a week

Budget

- FIRST registration: ~\$275 (covered by Loudoun Robotics for new teams)
- LEGO Education SPIKE Prime kit: ~\$600 (covered by Loudoun Robotics for new teams)
- Annual Challenge Set (mat + season mission LEGO): ~\$100 (covered by Loudoun Robotics)
- Tournament entry fee: ~\$75 (covered by Loudoun Robotics)
- Snacks & misc supplies: ~\$100 (parent fundraising)

Total cost to the school: ~\$0

Outcome

6–10 students get a full season of robotics and represent [School] at a local FIRST qualifying tournament in December.

Loudoun Robotics — a parent-founded 501(c)(3) nonprofit serving Loudoun County. We cover the LEGO Education kit, FIRST registration, the annual Challenge Set, tournament entry, coach training, and mentor matching for new teams. Contact: contact@loudounrobotics.org · loudounrobotics.org
